Skills

Excel, PowerPoint, Financial modelling, SEO basics, Google Analytics, Canva

Projects

Stock pitch competition

Built a three-sheet Excel model with linked formulas to forecast a listed company's revenue and profit, and analysed its income statement, balance sheet and cash-flow statement before presenting a recommendation.

Technologies: Excel

Club fundraising campaign

Planned and ran an online campaign for the business club, wrote the posts and web copy, chose keywords for the landing page title and description, and used Google Analytics to summarise which posts brought the most visits.

Technologies: Google Analytics, SEO

Warehouse simulation case

In a case competition, organised inventory data in Excel using filters and pivot tables and coordinated a four-person team to hit the submission deadline.

Technologies: Excel

Experience

Part-time customer service assistant

Handled customer queries in person and by phone, updated the customer log in a spreadsheet and followed up on unresolved cases.

Technologies: Excel

Education

BBA Finance - Accounting and corporate finance modules completed
